Dear Mr Bazac,

Thank you very much for your email of 23 June. We very much appreciate the continued efforts demonstrated by you and your team to complete the financing of the Forza Rossa's team entry.

On the basis of the information provided by you and having regard to the circumstances and deadline requirements (for the avoidance of doubt, we remind that on 30 May the FIA agreed in writing, after further examination, to fix a derogatory deadline to 23rd June for providing the bank guarantee), we believe that an entry of a Forza Rossa team in 2015 is not feasible.

In this context, please note that the FIA shall inform you of any new procedure that may be launched by the FIA with a view to attracting new F1 teams for those teams to enter into the championship in the future. We wish to express our heartfelt thanks to you and to your team for the interest that you have shown into the championship.

With best wishes,
